August 2021

Summer Trees west needs your Vote on Amendments

Residents should have received a package of seven amendments to the current C&R, May 2013 (booklet). If you have not received your package, you should contact a board member. It is very important that you return these documents with a yes or no vote on each amendment.

Friday Night Lights

After the success of the Independence Day celebration Ladies' Club President and Secretary Mary and Janice will be hosting a Friday night get-together at the Magnolia Lake Park area next to the pool. Everyone brings their own food, snacks, drink and whatever you want. Simply a fun gathering to enjoy the company of friends and neighbors.

There are plenty of tables, the trees are sparkling with pretty lights and we may have some music.

The first Friday Night Lights get-together is planned for Friday, August 20 at 7pm. So, mark your calendar and come on out for some serious socializing.

Lake Magnolia has been under a two-year improvement project. It's going quite well. Visibility has improved from about one-half inch to over a foot. Three carp now help control the grass on the bottom.

There have been questions about the Spectrum Cable bulk package. There is no billing from Spectrum for the basic cable and internet services. However, if you make any other charges such as pay channels, DVD service, movies and sports then these items are your responsibility and you will be receiving a bill for them.
