June 2021

There has been a lot of wild life spotted around Summer Trees lately. Deborah Bonoit captured a photo of this deer and her fawn on the edge of the wetlands. Linda Pelle caught these two pileated woodpeckers in the trees. Can't tell if they were fighting or mating. Recently a bobcat and a coyote were seen running down Magnolia Loop and Cypress Pond Road.

The coyotes present a serious threat to other animals both wild and domestic. Care should be taken not to leave any food items around that create an attraction to them.

Members of the board have been working to establish the boundary lines between STW and STIII. If anyone has a metal detector, they could use some assistance. Please contact Bill Roberts.

Another major project underway is the replacement of the fence at 211 Summer Trees Road (the pool). The price of lumber has gone through the roof in the past few months. Any suggestions for this undertaking are appreciated, please contact Terry B. or Don. Also proceeding is an assessment of sidewalk repairs needed. Your input is welcome.

June is of course the beginning of hurricane season. Time to start with preparations. The local shelter is at Cypress Creek Elementary, 6100 S. Williamson Blvd. Remember that the Summer Trees Road exit to Taylor Road floods pretty heavily. If you want to park a vehicle away from the trees there is a large space next to the pool. Make a plan.

Andrea Schreiner has started the water aerobics classes on Friday's at 10 a.m. This is great exercise for both the body and the mind. Come to the pool and enjoy the fun.

Residents are reminded that no one under the age of 18 is supposed to be using the pool after 2 p.m.

The ladies club won't be meeting this summer but will begin again in September

Grand Re-opening of the newly renovated Summer Trees West swimming pool

It's time to get together, party and socialize

The Summer Trees West ladies club is inviting all residents to celebrate the newly renovated swimming pool on Saturday, July 3 at 5 p.m.

The Home Owners Association has made a stunning transition to the pool and surrounding area with much welcomed repairs and beautifications.

The challenges that Covid-19 presented and a year of pandemic restrictions kept us at home. With community safety in mind and CDC mandates lifted the pool area has been cleaned and sanitized. There will be extra tables and chairs in the picnic area to enjoy FREE hamburgers and hot dogs. Please feel free to bring other dishes to accompany the grilled food and your drink of choice. Please note: no food or drink (except water bottles) in the pool area.

There will be entertainment. Interested musicians are encouraged to contact Ladies Club President Mary Austin.

Sadly, Summer Trees West lost a couple of long-time residents last month.

Yvonne Kover beloved wife of 64 plus years to her husband Bill passed in her sleep. Bill sends his thanks to those who expressed their condolences.

Gloria Biagioni lived in Summer Trees for many years and was a long-standing member of the ladies' club. She leaves a daughter, two sons, six grandchildren and five great-grandchildren. To the family there is much heartfelt sympathy.
